

Insurrection

This is the reason why I like this insurrection
this is the reason why I love this nation
without disorder, this destruction
it couldn't be real amusing action

It seems to you that I am mad
cruel, sadist even the worse
in reality I'm not so bad
hey man, it's only my thirst

Thrash this thrash that and what I know
this is same as every day
Fuck this fuck that and once for all
Oh my face, dirty face

Riff.: It's so kind
It's so find
when I hold blade in my hand!

It seems to you that I am mad
cruel, sadist even the worse
in reality I'm not so bad
hey man, it's only my thirst
