# Open your mind

REF 1.: Open, your mind, this way is uncontroled  
Emotion, you find, when you can find yourself

You know, that is loneliness  
you go, something crazy  
As hollow man, you can feel  
this is when, it may be real

REF 1.:

Bridge 1.: This feeling is loneliness  
be man, who saves your life  
this feeling is emptyness  
be man, who doesn't want to live in a stereotype

You know, that is loneliness  
you go, something crazy  
As hollow man, you can feel  
this is when, it may be real

REF 2.: Not this way for next time  
Open your mind

Riff.: Same Job every day, you must feel as rat  
What about your dreams, hey this is mad  
kill yourself with your tie, why is it important?  
As old man you'll tell me it's true

Verse: You are crying, bleeding, starving, you are falling down  
Within this feeling of free way in life  
YOU ARE FALLING through your life
