# Pay for life

In this sin, you can't live anymore  
It's too bad to live in lie  
In this sin you can believe  
that I'm runner on deathway

REF.: Can you ask me how I feel  
Wash my darkside yeah

Dirty tin, save me from my fuckin' noose  
It's reason why I cry  
Dirty tin pursue my retire  
And I'm runner on deathway

REF.: Can you ask me how I feel  
Wash my darkside yeah

Bridge.: What is coming soon  
Why I feel so worn  
What I've have to say?  
oh I'm runner on deathway
