# Union

It's same song all the time,  
I'm still bored when you speak to me.  
My throat is burned by wine,  
this is only way to be satisfied

Bridge 1: You went too far this time  
union kind of weakness  
fall, cry, believe, trust  
I see only disappointed faces

REF 1.: Confluence of my mind 3x  
Union kind of weakness

I hate this desperate situations  
you know, that revenge is not justice  
you found in this nation  
only disappointed faces

Pomale.: Confluence of my mind

I see only disapoined faces
